University of Wisconsin Extension: Bootcamp Certificate -In Progress - November 2023-May 2024

A 24-week intensive program focused on gaining technical programming skills in HTML, CSS, JavaScript, API, Node.js, Express, SQL, React & more.

Experience

Peninsula Publishing

- Inside Sales Manager | May 2023 - Present

Job responsibilities include managing and organizing advertising schedules for clients, requiring exceptional attention to detail due to weekly client interactions. Effective organization and follow-up strategies are necessary. Additional duties for the position include managing an events calendar with over 100+ events weekly.

Door County YMCA

- Center Executive Director | December 2021 - January 2023

The Center Executive role involved managing all operational areas of the Program Center, including Adult Fitness & Specialty Programs, Youth Programs, Aquatics, and Membership initiatives and operations, as well as overseeing the overall function of the facility. This role entailed significant employee management and responsibility, providing guidance to over 40+ part-time staff as well as 5 full-time staff.

- Member Services Director | August 2019 - December 2021

In this position, I assumed additional operational responsibilities for the facility, including cleanliness and maintenance oversight. I supervised over 30+ part-time employees as well as 2 full-time employees. Budget awareness and responsibilities required constant vigilance and problem-solving.

- Adult and Health and Wellness Director | September 2016 -August 2019

In this role, I oversaw and implemented programs for adults at the Northern Door YMCA. I supervised the success of the Lifestyle Center, Group Fitness, and Personal Training programs, along with part-time and full-time employees in these departments. Additionally, I was responsible for creating and maintaining budgets, which enhanced my financial awareness regarding the status of each program.
